

*OmniMount supports the technology that brings your home to life*

**Who is OmniMount?**

Since 1978, OmniMount has been a global product innovator, first pioneering the field of audio mounts and then expanding its scope to include a complete portfolio of A/V mounts and accessories that maximize the home theater experience. The company has been regularly honored with distinguished industry awards for groundbreaking design and superior quality.

OmniMount offices are located in Phoenix, Arizona and Amersfoort, Netherlands. In 2012, OmniMount united with [Ergotron](#) and became its primary consumer brand for flat panel TV mounts and A/V furniture.
